Alpine

Collection

Achieve an ultra-stylish, sleek, and seamless look with Alpine. Versatility allows you to personalise each product to suit any space.

Select from 19 slab options to create your signature style. The Alpine collection can be configured in numerous ways to create a truly distinctive look that works across any aesthetic, from hotel-chic luxe to understated modern minimalism.

Designed for optimal functionality with outstanding results, the basin and shelf collection features countertop shelves, plinths and furniture with a choice of freestanding, wall-mounted, and countertop styles in different slab finishes.

Every piece is made to order by skilled artisans who pay attention to the finest of details. This ensures the unique characteristics of each slab are highlighted and that every piece works in harmony for the perfect result. By manufacturing every single Alpine product in-house to our client's exact specifications, we can maintain a seamless delivery within the shortest possible timeframe.

Our new Slab Fabrication Facility contains state of the art equipment including three, 5 Axis water jet cutting machines, a skirting and profiling machine and several multi-blade cutting devices.

Additionally, it houses a full-service technical laboratory, installation workshop, research & development center for bathrooms and a dedicated customer showroom for manufactured slab products. Without a doubt, it is a unique facility in the market and takes the company's capabilities and potential future opportunities to an exciting new level.

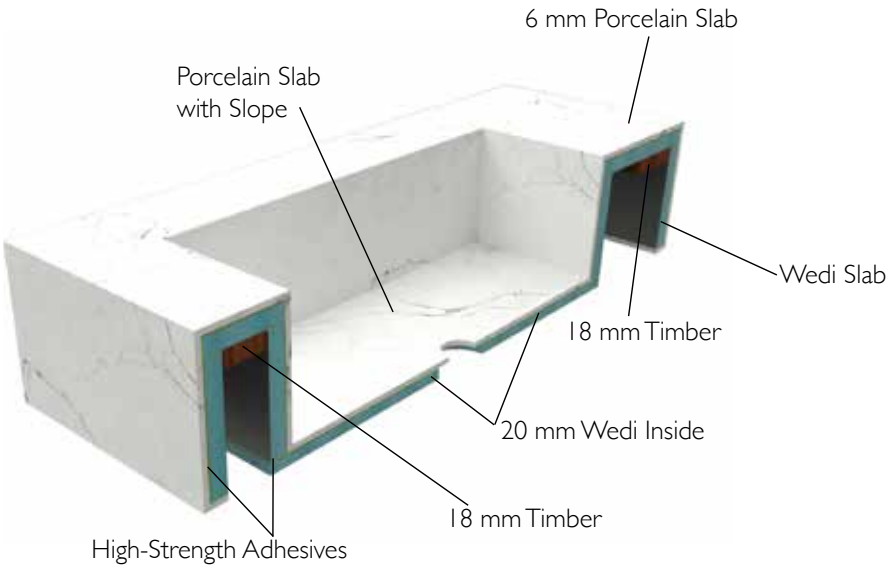

The facility will allow SANIPEX GROUP to accelerate the development of its slab product portfolio, offering new finishes, product types, categories and styles along with the ability to design and engineer customized solutions. In addition, SANIPEX will be able to offer a variety of value-added cutting services for tiles such as skirting, grooving, profiling and resizing.
